2005 Healthy Vision Community Awards Program

The National Eye Institute (NEI), through its support contractor Social & Health Services, Ltd., (SHS), is pleased to announce the 2005 round of the Healthy Vision Community Awards Program. This program provides funding for the implementation of health education activities that support the Healthy Vision 2010 objectives and the Healthy People 2010 goals to reduce health disparities and improve quality of life.

The focus of the 2005 awards are 28-5-Reduce visual impairment due to diabetic retinopathy; 28-6-Reduce visual impairment due to glaucoma, 28-8-Reduce occupational eye injury, 28-9-Increase the use of appropriate personal protective eyewear in recreational activities and hazardous situations around the home; and 28-10-Increase the use of rehabilitation services and adaptive devices by persons with visual impairments.

Nonprofit organizations, including but not limited to community-based organizations and groups, minority-based organizations, schools, faith-based organizations, civic and fraternal groups, and State and local health departments and agencies are encouraged to apply. Universities and organizations with university-affiliations, such as medical centers, are precluded from receiving an award directly, but are welcome as collaborators with community-based organizations.
